## Officials cautious library growth

By CATHY VAUGHN

NEW SMYRNA BEACH — City commissioners Tuesday asked their staff to meet with Brannon Memorial Library workers and review ways to expand and finance a new building to replace Brannon, which is about to burst at its seams.

Brannon Memorial already is 9,448 square feet short of what it needs to meet state standards for the 39,268 people who now live in its service area, head librarian Patricia Young told city officials. And population predictions say

81,112 persons will live in the area by 2010; the city needs 100,000 square feet to serve them.

Fort Lauderdale consultants were hired by the city last year to review the building and modeling and a plan for replacing it with a new library on a new site.

Consultants determined the best site and experience for patrons.

## Man, 45, charged with sexual battery

EDGEWATER — A local businessman and former Edgewater Cub scoutmaster was arrested Thursday and confessed to having sexual activities with a teenage girl, Edgewater Detective Diana Floyd said Thursday.

Mrs. Floyd said Harrison V. Tiffany, 45, owner of Tiffany's Auto Repair, 1428 S. Riverside Drive, confessed to Detective Leo Booth that he had oral sex and fondled the girl during the past two years.

Tiffany, arrested by Booth on a State Attorney's warrant, was charged with sexual battery, a felony, and was booked into Volusia County Jail under \$10,000 bond, Mrs. Floyd said.

Mrs. Floyd said Tiffany was Edgewater's Cub scoutmaster for 10 years. She said he resigned from the post earlier this month.

"The investigation never has linked him to doing anything with the Boy Scouts," Mrs. Floyd. "As far as we know, this is an isolated incident."

Tiffany's wife, Pat, runs a babysitting service for about five families. Mrs. Floyd said "the investigation is no way linked to the babysitting service, either. I'd take my kids to Mrs. Tiffany."

## Search for manager

Police chief surprised at councilman's suggestion he become interim manager

By TAMRYN J. ETIEN

EDGEWATER — The City Council voted 4-1 Monday to advertise immediately for a new city manager and unanimously decided to have a workshop to discuss the ongoing relationship between the city manager and council.

Councilman Danny Hatfield voted against advertising for a new city manager, saying it would not be appropriate to ad-

Beach.

In a 1981 letter to the city, David Vakelj, Montsesano's attorney, said specific incidents giving rise to claim included the misrepresentation to Montsesano that they were required to hook up to the city's water, sewage and drainage system when they were not, representations that they needed to obtain a license to conduct their automobile painting operations and that the purchase of a "paint booth" would be a prerequisite for obtaining such a license.

The letter also said a building permit for the construction of an addition to the business was withheld under the pretense that compliance with the Florida Energy Code was required when it was not.

Former Mayor Earl Baugh was police

chief at the time the incident occurred. In July 1986, Alvarez recommended the city pay Montsesano on the last of the claims.

Karpe, Kitchel, the city's finance officer, said Tuesday Montsesano was paid approximately \$48,500.

The city, she said, also paid more than \$31,000 for Montsesano's attorney fees and an additional \$67,000-plus for the city's attorney fees and court costs.

In other business Monday, the council:

— Appointed Richard Kozlowski, an architectural structural designer and building estimator, to the citizen code enforcement board.

— Filled one vacancy on the industrial development board with the appointment

of Galen McClain, a former newspaperman who ran unsuccessfully for city council last year. Although two positions were open, members rejected the other applications and agreed to re-advertise the position.

— Reappointed the Rev. Harvey Hardin to the general employee pension board.

— Rejected a request by the parks and recreation board to reconsider the ban swimming at Menard-May Park.

— Agreed to hold a special meeting with school officials in reference to the school board terminating the city's use of the ballfields at Edgewater Public School. The meeting will be at 7 p.m. April 26 in the Edgewater Community Center, 102 N. Riverside Drive.

## Man charged with sexual battery

BY PATTY POLLARD

A Edgewater man was arrested late last week on charges of custodial sexual battery.

Detective Dianna Floyd of the Edgewater Police Department said Tuesday that Harri Tiffany, 45, of 1952 Guava Drive, turned himself in to police Thursday night.

Floyd said a warrant for Tiffany's

arrest had previously been issued by the state attorney's office.

According to Floyd, a complaint against Tiffany was made April 1 by a 16-year-old female.

She said she had talked to the victim and the parent at that time. Floyd said she also questioned Tiffany, but he denied the allegations.

Thursday, however, Floyd said Tiffany confessed to the sexual bat-

tery charges. Tiffany was transported to Volusia County Branch Jail under \$10,000 bond.

A spokesman at the jail said Tiffany was released on bond Monday.

Although Tiffany was a former Boy Scout leader, Floyd said he resigned the position prior to the investigation.

"The arrest in no way affects the Boy Scouts," she said.

Mr. Harrie' Tiffany

Edgewater, FL 32032

Dear Mr. Tiffany:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations you may have with the Boy Scouts of America. Attached you will find a check in the amount of \$7.00 which represents a refund of your registration.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a Council Review Committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,
